
The Web – Registration

To register a new user account. Navigate to the login button on the top right-hand corner.

<https://the-web.co.za> or <https://www.the-web.co.za>

‘Create Account’.

A screenshot of the 'RETURNING CUSTOMER' login and registration form. The form is centered on a grey background. It contains two input fields: 'Username or Email *' and 'Password *'. Below the password field are two links: 'Forgot password?' and 'Go Back'. At the bottom of the form are two buttons: a brown 'Sign In' button and a white 'Create Account' button. The 'Create Account' button is circled in orange.

Enter the account details.

Please note that creating an account will result in a standard user account by default. Currently, 'The Web' has one admin account. To create a new admin account, you need to enable the environment variable on cPanel, specifying that an admin account should be created.
