

The Web – Make A Rental Application

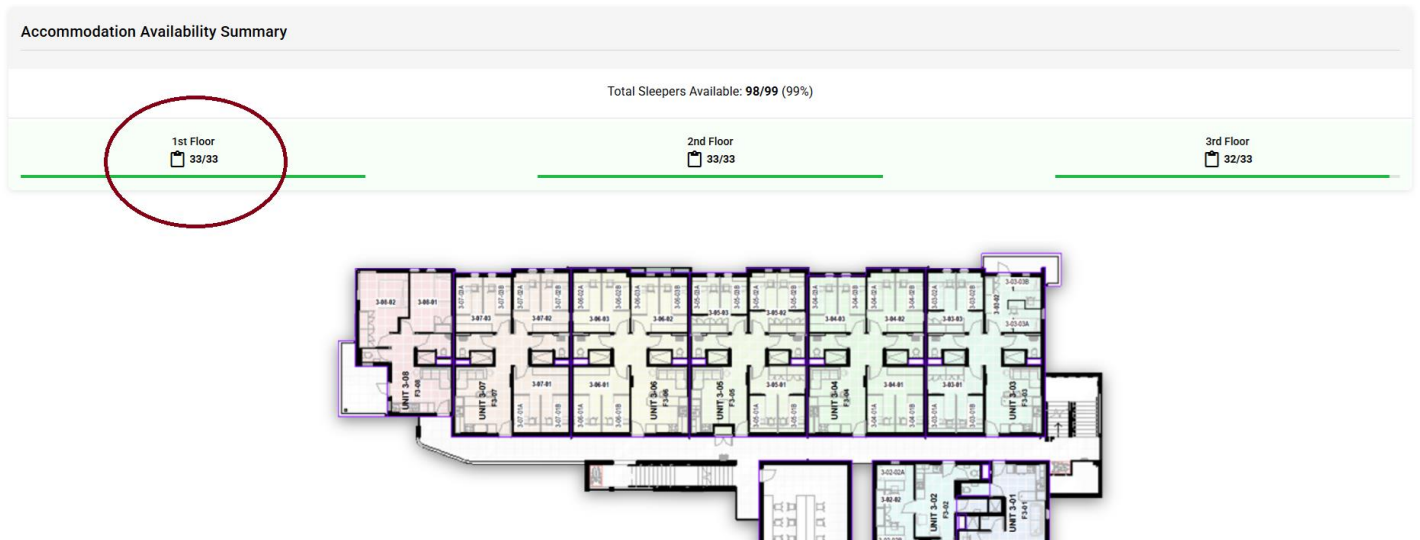

Ensure you are logged in before proceeding.

<https://the-web.co.za>

To make an application, click on the book now button in the top right corner

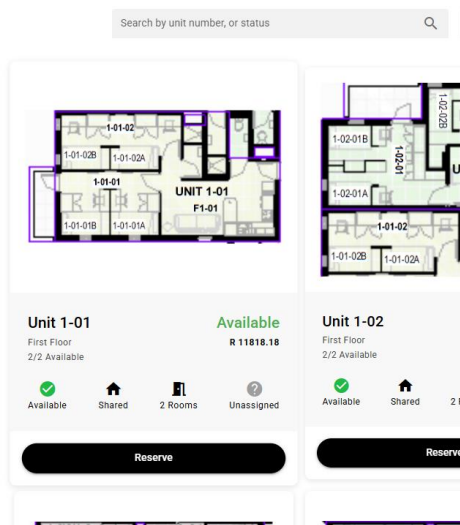

From here choose the specific floor level you'd like to book on

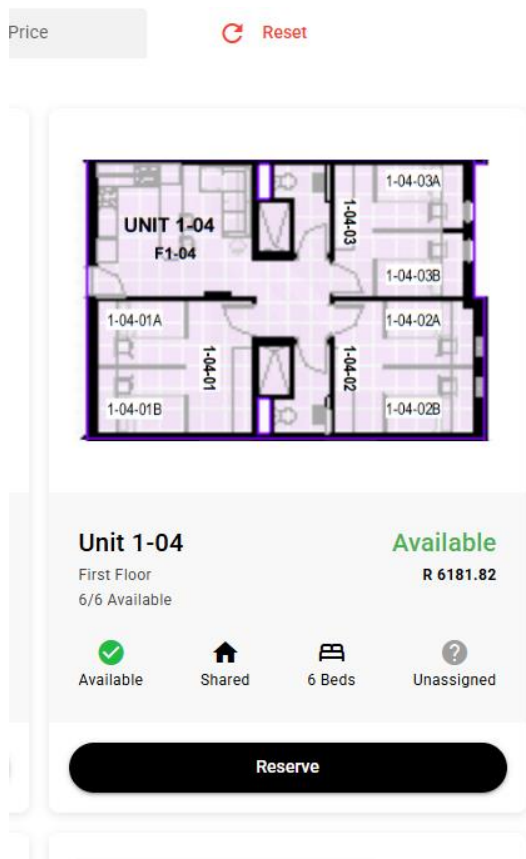

For a Room unit (Choosing specific Room)

Choose between units 1, 2, 3 and 8. (This applies to all floors)

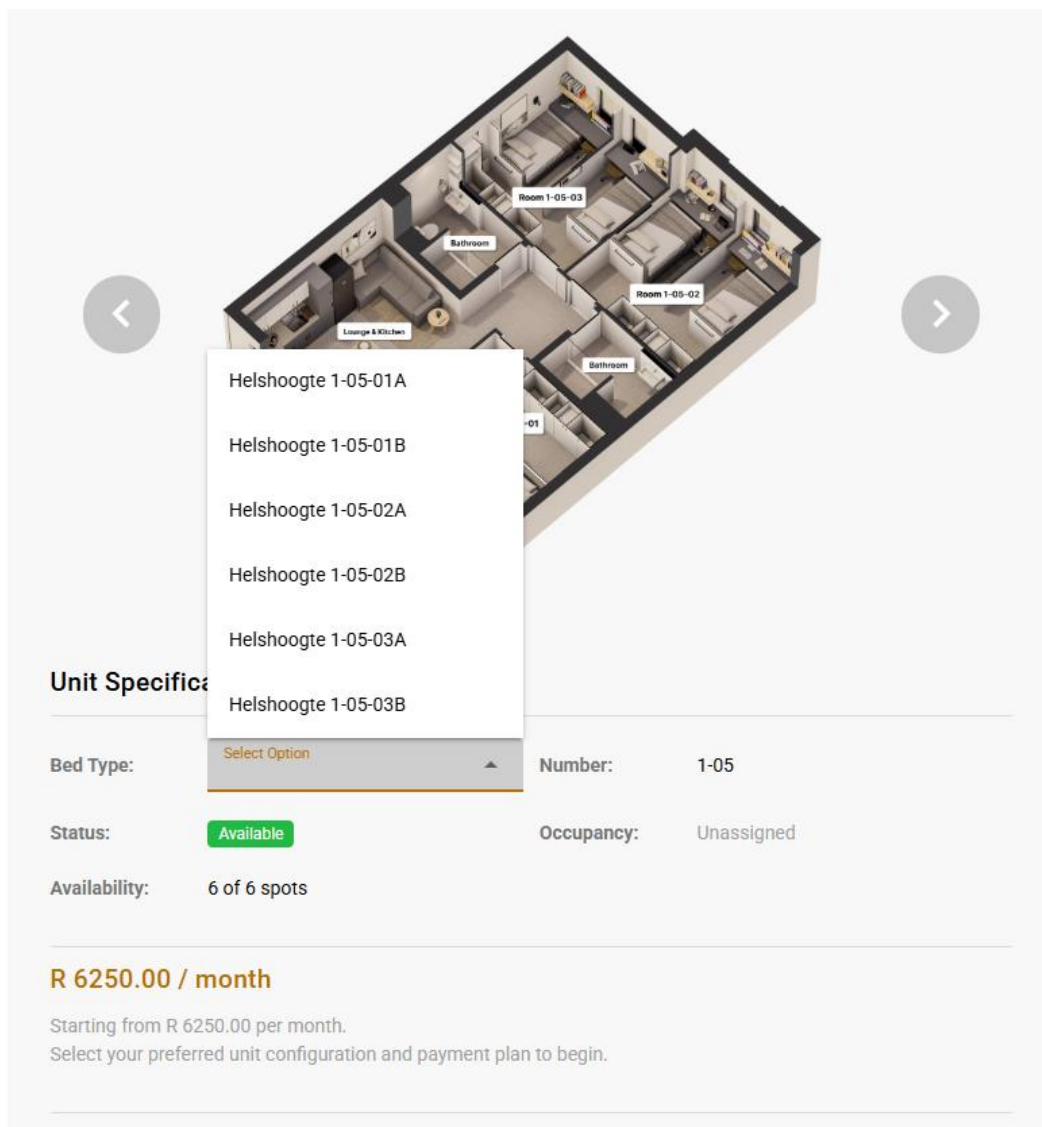

For a Bed unit (choosing specific Bed)

Choose between units 4, 5, 6, 7. (This applies to all floors)

Once choosing and clicking on your specific unit, you are able to choose your bed (or room number depending on the configuration you going for)

If you want your colleagues to join this specific unit, you are able to Generate an Access key.

Shared Access Key

- Please note that shared access key only applies for units 4 to 7 on all floors.
- Shared access keys are essential for reserving unit accommodations for family members, relationships, or friends.
- The access key will be uniquely associated with the rental application and linked to the specified unit.
- Once activated your shared access key will expire after 12 hours if all applicants fail to complete their application within the time limit, this will result in having to regenerate a shared access key.
- Please ensure your group fills the entire unit before the access expires
- After submitting your application, the unit will be locked with a shared access key, and your applications will be processed.

Parking fee gets added to your monthly payments and the rest of your costs are based on the unit type chosen.

Would you like to add parking?

- ☐ Include Parking (R 400.00 / mo)
- ☒ No parking needed
